radioe verse radio**

June 2nd, 2020 - ernest hilbert s
third collection of poems caligulan
is at once terrifying and touching a
book haunted by the poet s many
affections and angers its poems
animated by horror films and
science fiction novels heavy metal
and opera remote wilderness and
ruined cities'

'geometry and the imagination

david hilbert stephan cohn

*May 5th, 2020 - this remarkable
book endures as a true
masterpiece of mathematical
exposition the book is overflowing
with mathematical ideas which
are always explained clearly and
elegantly and above all with
penetrating insight it is a joy to
read both for beginners and
experienced mathematicians
geometry and the imagination is
full of interesting facts many of
which you wish you had known
before"***theory of algebraic**

invariants david hilbert hilbert

April 30th, 2020 - in the summer
of 1897 david hilbert 1862 1943

gave an introductory course in invariant theory at the university of gottingen this book is an english translation of the handwritten notes taken from this course by hilbert s student sophus marxen at that time his research in the subject had been pleted and his famous finiteness theorem had been proved and published in two papers that'
