squatter and the don**

*October 10th, 2019 - the squatter in the don is
interesting the plot centers on two families in california
in the late nineteenth century following the treaty of
guadalupe hidalgo and the land act of 1851 pioneers
from the east have been legally empowered to squat on
the land of hispanic families who have been settled in
the area for hundreds of years'*

'recovering the u s hispanic literary heritage vol 3

*May 30th, 2020 - the past two decades bear witness to a
re evaluation of the origins and recursors of the hispanic
literary heritage of the united states this phenomenon
now plays a decisive role in rethinking the very nature
of american literature formulating new canonical
parameters and in determining the content of university
classes taught on the subject'*
